Your vote does count

Dear Editor:

So you think politics is just too immoral and "dirty" for you these days? So you think your vote won't count or doesn't matter, anyway?

Please consider these facts:

One vote in 1923 gave Adolph Hitler leadership of the Nazi Party.

One vote in 1776 gave America the English language instead of the German language as its official language.

Less than one vote per precinct nationwide in 1960 gave John F. Kennedy the Presidency over Richard Nixon.

One vote in 1875 changed France from a monarchy to a republic.

Please don't complain about someone who got elected if you choose not to vote. You have the power of one vote! It can make a difference. Exercise your right to vote!

You can register to vote up through Oct. 3. The election falls on Tuesday, Nov. 3. Do it!
